

ONLINE COURSE FOR SOUTH ASIA

Online Certification Course to become a

**PRIVATE INVESTIGATOR
& SECURITY TRAINING**

Goals

- For those who immigrate to USA , Canada , or UK, this course prepares them to land up with a temporary Job or a basic sustaining Job , while for some it is a Permanent Career for few.
- Initially it is difficult to immediately find a Job in a new country, and many a times, even if you come with a Job, it may be temporary or you may not like the job criteria's, so this course gives you an option.
- If you have a student Visa or an Immigrant Visa, this course prepares you to quickly enrol for courses in the country you go to, and fastens the process of being confident to give an exam , & get the License as a Private Investigator or a Security Guard

Eligibility

- There is no Prior education needed to do this course, plus when you go abroad, you need not do any degree or certification over there.
- All you need to do is study the material provided by the organization in the country you land, (which is similar to the one this course provides), and give the License exam in least prep time, to become a Private Investigator or Security Guard
- The Pay for these roles are decent enough to sustain a family of three abroad.

Course Module

- The module drafted is at par with the requirements to pass the licensing exam abroad
- This course module is also formed through facilitators own experience as a Loss Prevention Agent / Asset Protection Agent working in a renowned company in North America
- The Facilitator worked as a Licensed Security Guard and a Private Investigator in North America

How to Enrol and fees ?

- This course is online with a facilitator
- To enrol, all that is needed is your Identification document, showing your date of birth with year.
- Fees charged for this course is 1100 INR
- This course in total is a 6 hour course completed in 3 days.
- There will be a test given at the end, requiring a passing score of 70 %
- You will receive a certificate of Completion for this course along with the complete notes.
- For any further questions reach me at itzmayank@gmail.com

Be one step ahead in comparison to others who go there and then begin the process of studying and preparing to get a license which takes extra months and money from your own pocket to sustain in a new country.

Best Wishes..
